Kyungmin So (PO), Youngsoo Jang,  
Hobin Ryu, Seungwoo Lee  
Amlesh Sivanantham, and James Garbagnati

Release: American Bobtail (July 16, 2016)

### Actions to stop doing

- 1. Our team should stop doing holding daily scrum meetings. Because we have another class, finishing development until next scrum meeting is hard.
- 2. Our korean member should stop using korean in daily scrum meeting. Because our team member cant understand korean, and it break our teams harmony.

### Actions to start doing

- 1. Our team should learn to communicate effectivley and document the code so it is easier to understand for all team members.
- 2. We should start accuratley estimating the work level of our tasks.
- 3. We should work faster on our task because sprints are of very short duration.

### Actions to keep doing

- 1. We should maintain a friendly work environment.
